ATTENDANCE PROCEDURES

Communication and messages

It is important that messages come from parents/legal guardians. We do not accept verbal messages from the children themselves when it comes to absences, visits to friends or information regarding who is picking them up, etc. Visits to friends need to be planned in advance. We do not allow the kids to call home from our phones with any kind of enquiries.

When parents/legal guardians pick up their children we need them to notify a staff member so we can log them out.

If a parent/legal guardian needs to speak to the director, it is best to contact us before 12:00, as the director or specialist should be in the office in the morning. It is always possible to send an email and we send a confirmation that we received said email. We ask the parents to notify us if there are any changes to phone numbers, emails or any other information. It is also beneficial to get updates on relevant family situations, or any circumstances that could affect the well being of the child.

Please note that medication is not given in our leisure centre

We love seeing parents/legal guardians and you are always welcome to visit us and check in on your children at play.

Absence

If a child does not attend our leisure centre for any reason, we ask that the parents/legal guardians report the absence before 12:00. This is to prevent any unnecessary worry and time spent searching for the child.

REGISTRATION

REGISTRATION FOR OUR LEISURE CENTRE - GUIDE

Registration takes place on vala.is and from there you will log in using your electronic identification. There you will choose to apply for your child's stay and fill out information regarding yourself and the child.

Useful information regarding services and fees

Sibling discounts apply between preschool, after-school programs and daycare. Sibling discounts are 50% for the second child and 100% for the third child.

Discounts are always calculated for the oldest child. The condition is that you have the same legal address and family number in the National Register.

On sign-up days you will need to register your child as we will only allow registered children to stay with us. Those who elect not to register their child for these days, will not be billed for these specific days. Sign-up days cost 3.428 kr, regardless for how many hours are used, this registration is binding.

An application is valid for one school year at a time (August-June). If you wish to cancel or change or cancel your placement, it has to be done before the 19th of each month. The cancellation will take effect at the start of the following month.

LEISURE ACTIVITIES

If a child is to attend any leisure activity during their time with us, we can send them by bus or walking. It is the parents/legal guardians responsibility to inform us regarding where it is, what time, any changes or cancellations to these activities.

Should a child come back to us after their activity, we need to be informed about it.

If a child is to use the leisure bus, we need to be informed about it. However it is worth noting that the leisure bus is not provided by us but rather Árborg and it is up to the parents/legal guardians to teach their children how to use it.

If any practice is cancelled, parents/legal guardians must notify us. This information does not come to us from anywhere else.

Clothing

We go outside to play with the children every day. It is important that the children are dressed appropriately for the weather so that they can take part in all the activities. If a child has been sick and the parents/legal guardians wish for the child to be inside, they will need to inform us via email or call before 12:00.

Please note that children who arrive with bicycles, scooters, toys, money, phones or other items, it is their responsibility.

On days where kids are allowed to dress-up, wear costumes and other accessories we remind you that we are not responsible for these items, it is the responsibility of the children. We recommend that accessories be left at home as they are likely to get lost or damaged in the fun and excitement on these days.

There are many children with us and we advise parents to label their children's clothes clearly. We also recommend that children bring with them extra clothes in their school bag. It is expected that all clothes go home with the children at the end of the day.
