ADDITIONAL INFORMATION

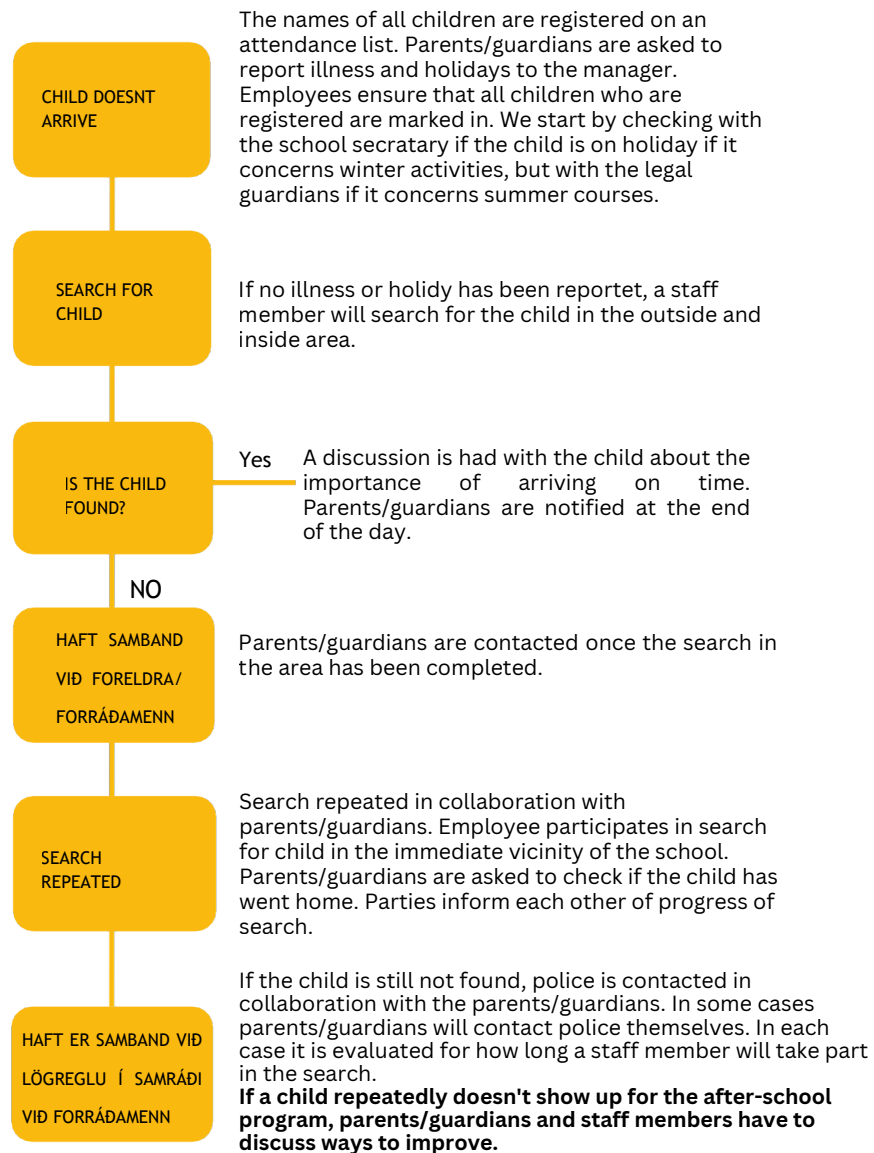

ADDING INFORMATION ABOUT LEISURE ACTIVITIES

Under the "Vetrarfrístund" tab you will find an overview of your children's current registration. From there, click on the view registration tab, register leisure activities and then edit registration. You can then add new leisure activities, change information about leisure time or delete leisure activities registration.

EXTENDED STAY REGISTRATION

Once registration for extended stay has been opened, parents will receive an email from the manager. Then you can register under the "Lengd viðvera" tab.

ATTENDANCE PROCEDURES

COMMUNICATION AND MESSAGES

It is important that messages come from parents/guardians. We do not accept verbal messages from the children themselves when it comes to absences, visits to friends or information about who is picking up, etc. Visits to friends need to be planned in advance because it is not possible for children to call from phones with any kind of inquiries.

When parents/guardians pick up their children, they need to let a staff member know.

If a parent/guardian needs to speak to the director or staff member, it is best to contact before 12:00. It is best to send an email, but please note that we always send confirmation that the email has been received. We ask parents to let us know if there are any changes to phone numbers, email addresses or other information. It is also good to receive information about changed family circumstances, as changed circumstances can affect the well-being of children.

Please note that medication is not given in the after-school program.

We love seeing parents and guardians and you are welcome to visit us and watch your children at play.

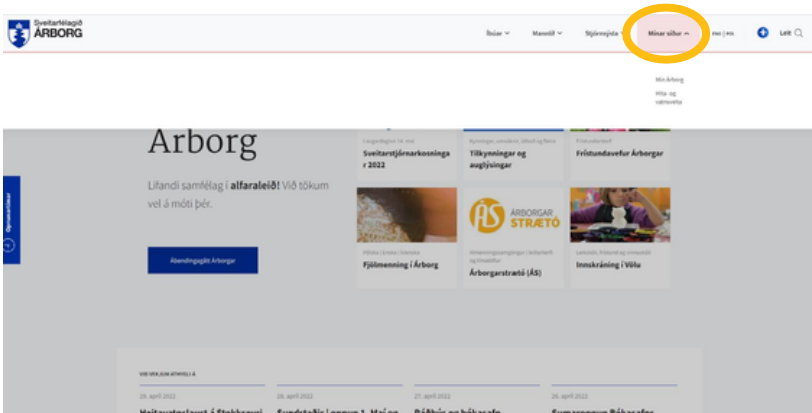

ABSENCE

If a child does not attend the after-school program for any reason, we ask parents/guardians to report the absence before 12:00, in order to prevent unnecessary worry and time spent searching for the child.

REGISTRATION

REGISTRATION FOR AFTER-SCHOOL PROGRAMS

On the municipality's website www.arborg.is, go to the tab called “Mínar síður” and from there click on the tab called “Min Árborg”. There, parents/guardians need to log in with electronic ID

On the right you will find a tab called “Fristundaheimili Árborgar”. This link takes you to Vale registration system.

You can also log into Vale from their home page www.vala.is

USEFUL INFORMATION ABOUT SERVICES AND FEES

Sibling discounts apply between preschool, after-school programs and daycare. Sibling discounts are 50% for the second child, 75% for the third child and 100% for the fourth child. Discounts are always calculated for the oldest child. The condition is that you have the same legal address and family number in the National Register.

On sign-up days you will need to register your child as we will only allow registered children to stay with us. Those who elect not to register their child for these days, will not be billed for these specific days. Sign-up days cost 3.428 kr, regardless for how many hours are used, this registration is binding.

An application is valid for one school year at a time (August–June). If you wish to cancel or change your placement, this must be done no later than the 19th of each month, and the cancellation or change will take effect at the start of the following month.

LEISURE ACTIVITIES

If a child is to attend some leisure activities during the time they are in Stjörnusteinar, we can send them by bus or walking. Leisure activities must be registered in Vala. You must state where the practice is, what time it is, whether the child should use the bus and whether the child will return to us after practice.

It is worth noting that the leisure bus is a service provided by Árborg and it is up to parents to teach their children how to use it. As soon as the children leave for practice, they are the responsibility of the parents.

If a practice is cancelled, parents/guardians must notify us. That information does not come from anywhere else.

CLOTHING

We go outside to play with the children every day. It is important that the children are dressed appropriately for the weather so that they can take part in all the activities. If a child has been sick and the parents/legal guardians wish for the child to be inside, they will need to inform us via email or call before 12:00.

Please note that children who arrive with bicycles, scooters, toys, money, phones or other items, it is their responsibility.

On days where kids are allowed to dress-up, wear costumes and other accessories we remind you that we are not responsible for these items, it is the responsibility of the children. We recommend that accessories be left at home as they are likely to get lost or damaged in the fun and excitement on these days.

There are many children with us and we advise parents to label their children's clothes clearly. We also recommend that children bring with them extra clothes in their school bag. It is expected that all clothes go home with the children at the end of the day.
